## MAN WHO MADE ANZAC FAMOUS

SYDNEY, Australia, April 2.—Major Oliver Hogue of Sydney, the man who is generally credited with having first given publicity to the name "Anzac" is dead. He was himself an Anzac. After having some

through the Gallipoli campaign and the Palestine campaign without a scratch, he died of influenza in London early in March. When the war began Major Hogue was a newspaper man, being on the staff of the Sydney Morning Herald.

During the Gallipoli campaign Major Hogue wrote for his paper accounts of the ill-starred efforts to take Constantinople in which he applied the code word "Anzac" (Anzac is dead. He was himself an Anzac. After having some

## WORK IN FRANCE FOR EVERY WILLING MAN

PARIS, April 20.—There is work right now in France for every man who wants to work, according to M. Claville, minister of public works, who told an Associated Press representative today that the lack of labor alone is holding back some of the important public work for which material was assembled while the war was going on.

Besides the immense task of rebuilding northern France M. Claville pointed out the following projects which will be executed as soon as the labor can be found: The enlargement of the canal from the Rhine to the Rhone to give Alsace a better outlet for her products to central France and to the sea; extension of several other canals; enlargement and improvement of the ports of Algiers, Marseilles and Brest, with the extension of railroad lines leading to those ports; the

building of water power plants of several hundred thousand horsepower in the Alps, the Pyrenees and around the central plateau to furnish electric power to the railroads and lighting current to cities, including Paris; leveling of the wall of Paris; the extension of the Paris suburbs into the suburbs as soon as the fortifications have disappeared, and, eventually, the digging of the tunnel under the English channel.

## GERMANS TRYING TO GAIN FAVOR

(Correspondence Associated Press)  
THEVES, April 16.—To illustrate the German attitude toward the war as a mere artificial interpretation of trade relations the following incident is cited by the chief American censor:

"A German firm in the American occupied area writes to a firm in New York, enclosing the New York firm's letter of June 5, 1914, and began in this manner: 'In reply to yours of June 5, 1914, beg to state, etc.'"

At the American censor's office here, where all mail from the occupied zone is passed upon before being sent on its way to the outside countries, an average of 2000 letters a day written by Germans have been received, with indications of a gradual increase during the next few weeks.

## BIG PROFIT MADE FROM INSURANCE

(Correspondence Associated Press)  
LONDON, April 18.—War insurance as carried on by the British government, dropped some \$5,000,000 net profit into the nation's coffers, according to a report just made public. The chief item of profit was \$50,000,000 on the hulls of British steamships which survived German submarine warfare. The greatest loss was \$55,000,000 on British cargoes which the U-boats sunk. The sum of \$7,500,000 was paid as insurance on the lives of officers and men in the merchant marine, and \$1,750,000 a year is being paid as pensions and allowances to dependents.

## CALUMET BAKING POWDER

"BEST BY TEST"

If you've not already been using Calumet, try it and you'll find a wonderful improvement in your cakes, a more satisfying goodness and finer texture than were ever possible with any other baking powder. A broad statement—but proven to be true whenever you use Calumet—it never fails.

Calumet is made in the world's largest, finest, most sanitary baking powder factory. Used by millions of housewives because it is economical and gives better and more satisfactory bakings.

### CALUMET LAYER CAKE

1 1/2 Level cups sugar	1 Level tea-spoon salt	Lemon flavor
3/4 Cup shortening	4 Level cups flour	
5 Eggs separated	4 Level tea-spoons Calumet	
1 cup milk or water	Baking Powder.	

How to Make It: Cream one cup of sugar with the shortening until light, separate eggs and work in yolks. Beat the egg whites with balance of sugar to a stiff froth and add. Next stir in one cup of flour and then add milk. Last stir in balance of flour well sifted with baking powder. Bake in medium oven.

A "tested" Calumet recipe that insures excellent results. Cut out and paste in your recipe book for future reference

### Do You Know This?

When you buy a pound of Calumet you get a full pound—16 oz. Some high priced baking powders are now being put on the market in 12 oz. cans instead of a pound. Be sure you are getting a pound when you want it. No short weights with Calumet.
